

OBJECT OF THE FOUNDATION

It directly and exclusively pursues scientific, charitable and non-profit purposes.

In order to allow the Foundation to respond flexibly wherever social commitment is particularly needed, Heinz Trox consciously defined the object of the Foundation in broad terms.

The following purposes have been recorded in section 2 of the statutes of the Heinz Trox Foundation:

1. Promotion of science and research
2. Promotion of youth and elderly welfare
3. Promotion of schooling, national education and vocational training
4. Promotion of art, culture and sport
5. Promotion of welfare work as well as supporting those in need
